

The image shows a large architectural drawing of a building facade, likely a section or elevation, overlaid with a light gray grid. The drawing is partially obscured by a large, dark gray rectangular block on the left side, which contains the text 'QARTA ARCHITEKTURA' in a bold, sans-serif font. The drawing itself shows a building with a flat roof and a series of vertical lines suggesting columns or structural elements. The grid is composed of thin, light gray lines forming a rectangular pattern across the entire drawing area.
